

MICROLIFE NEURO™ MICROCAPS

NOURISH YOUR BRAIN FOR ENHANCED PERFORMANCE

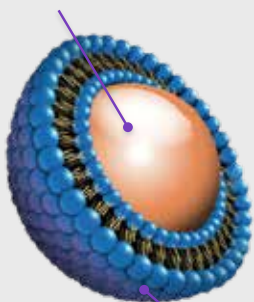

Elevate Cognitive Function

The brain is the command center of your body—and your health. A healthy, happy brain benefits virtually every area of the body. That’s why it’s so important the brain receives the nutrition it needs. MicroLife Neuro provides just that. Featuring Advanced Delivery Technology, Neuro delivers brain-boosting nutrients that your body requires to support clarity, memory, and cognitive function. Whether it’s a complex task, a demanding work assignment, or an important social gathering, Neuro provides the brainpower you need.*

30 Servings

KEY NUTRIENTS

LIPOSOMES

ADVANCED
DELIVERY TECHNOLOGY

The Liposome Advantage

Our liposomes are double-layered “bubbles” or spheres that surround nutrients, helping them to pass through the harsh environment of the digestive system intact for better absorption and use by the

body. The result? Premium quality products designed to maximize results and minimize waste!*

Our mission is to deliver solutions to health-conscious consumers who demand superior quality and delivery of key ingredients for optimal product performance. Utilizing the latest technology,

Vasayo addresses common problems with extraordinary solutions.

With Vasayo, the difference is in the delivery...and that makes all the difference!

How to Use:

Take 1 capsule daily.

cGMP Compliant No Added Sugars

Vegetarian

Features & Benefits

Elevate Cognitive Function: The expertly formulated blend in Neuro supports healthy brain function, including memory, clarity, focus, and overall cognition.*

Beat Brain Fog: Nutrients like ginkgo and bacopa promote focus, alertness, and concentration.*

Balance Mood: Some research shows that a well-fed brain encourages balanced mood and emotional health.*

Boost Mental Energy: Mental fatigue is one of today's top health topics. The ingredients in Neuro help energize the brain and support proper mental function.*

Advanced Delivery Technology: Our proprietary liposomal-encapsulation technology targets improved nutrient delivery and absorption within the body.*

Key Ingredients

Citicoline: A powerful ingredient to support memory and cognitive function.*

Bacopa: Used for generations in traditional Ayurvedic medicinal blends, bacopa is touted for its powerful antioxidant and adaptogenic properties which support memory and brain function.*

Ginkgo Biloba: A renowned botanical used for millennia for a variety of health-promoting purposes, including free radical destruction, healthy blood flow support, and mental function.*

Alpha-GPC: A phospholipid form of choline important for healthy brain function.*

Huperzine A: Derived from the Chinese club moss *Huperzia serrata*, huperzine A is traditionally used in Chinese wellness practices and in dietary supplements for cognitive support.*

Warning: Keep out of reach of children. Not intended for individuals under the age of 18. Consult your healthcare provider prior to use if you are pregnant, attempting to become pregnant, nursing, taking medications, or have any health care concerns. Do not use if safety seal is broken or missing.

Storage: Store in a cool, dry place.
